

LET YOUR LOVED ONE KNOW THEIR STORY MATTERS.

**IN PERSON VISITS\***

Maureen will visit *in person* with your loved one, for about an hour, to chat with them about their life in a relaxed conversation.

\*In the Quincy, Illinois, surrounding area.

**STORY HIGHLIGHTS**

After the visit, Maureen will send story highlights (in your loved one's words) to your designated choice of communication so you can share this piece of history with your family and friends.

**HEALTH BENEFITS**

Studies have shown that revisiting happy memories can boost overall life satisfaction and resilience. Recalling life's meaning can improve mental health and overcome loneliness or depression.

**AFFORDABLE INVESTMENT**

Each visit and follow-up communication is a simple flat fee of \$50.

In addition to companionship, this service provides the priceless gift of preserving family memories.

**Visit Locations Include:**

-  Your Loved One's Home
-  Nursing Home or Assisted Living Facility
-  Healthcare/Hospital Location (in some circumstances)

Why Storytelling?  
**IT MATTERS** 

When you can't be there, trust in a compassionate storyteller that truly cares about your loved one's life history and memories.

Not only will you learn more about this important person in your life, but you will provide them meaningful and rewarding human interaction and care.
